MATH 161: SECTION 2.7 WRITING ACTIVITY

Name: _____

Read pages 164-173 of the text, Section 2.7 Rates of Change in the Natural and Social Sciences.

A friend is curious about why the derivative is useful. Write 2-3 paragraphs explaining one of the examples from Physics, Chemistry, Biology, Economics, or Other Sciences. Be sure to give some motivation as to why you chose that example, why you find the example interesting, and be detailed in how to solve the problem. If you choose an application to "Other Sciences," cite an example found in the news, an article, or another course. **Due Wednesday, October 10 at the beginning of class.**
